

Pre-2004 Grant Award Recipients (5 grants)

Ashland High School and Ashland Middle School

Awarded To:	Susan Telage and Suzanne Kenney
Title	Student Networked Printer
Summary:	The Foundation funded the purchase of a network printer for student use.

Ashland Middle School

Awarded To:	Nancy Albertini
Title	Learning Spanish I with Kinesthetic Projects
Summary:	Spanish I students applied a hands-on approach to language studies by creating authentic projects relating to Mexican culture.

David Mindess School

Awarded To:	Thomas Bannon, 4th Grade
Title	School is Real Science
Summary:	In a unique opportunity to experience and learn the application of the scientific process, students watched their own classroom experiments duplicated by scientists at Natick Labs.

William Pittaway School

Awarded To:	Cindy Murphy, Kindergarten
Title	Here's Looking At Us!
Summary:	A digital camera and color printer was purchased for use by kindergarten classes. Photos of classroom activities are used to enhance oral and written and language skills.

Henry E. Warren School

Awarded To:	Maureen Clough, Debbie Montenegro and Joan Walsh, 2nd Grade
Title	Adventures in Science
Summary:	The Museum of Science's School Outreach Program and related follow-up classroom activities delighted second graders.
